Future Directions
young people in property

Where will the people go?

Hon. Rod Welford MP

Minister for Education and the Arts

Queensland is booming and the education sector along with it. Our guest speaker for the very first 2006 FUTURE DIRECTIONS: young people in property event is Queensland's Education Minister the Honourable Rod Welford. Overseeing a \$5 billion annual budget, this former Attorney-General and Minister for the Environment, will tell guests of a bold and increasingly profitable new future post-SEQ Regional Plan.

The rules have changed, and innovation equals profitability like never before. He'll outline opportunities for the industry to get involved in integrating private and public facilities.

Avoid over-regulation and dictation by Government? Rod Welford tells us it is not only possible, but desirable. Leadership, imagination, innovation - no longer just catchphrases, but new and vital ways of doing business. Also at this event, the Minister will launch the 2006 Young Achiever of the Year Award.
